Re: 2016 Lobbyist Registration Late Fees

Dear Andrea:

I received the attached Late Fee Assessments on May 23, 2016 for each of the following 2016 Lobbyist Registrations:

1. Canal Street Development Corporation
2. New Orleans Building Corporation
3. Sid-Mar's Restaurant & Lounge, Inc.

I request a waiver of the late fees assessed for the late filing of a required Registration Report for each one of these registrations. The Registration Report for Canal Street Development Corporation which was filed with the Louisiana Board of Ethics on April 20, 2015 inadvertently listed an employment start date of March 29, 2016. The employment start date should have been listed as April 20, 2016. The Registration Report for New Orleans Building Corporation which was filed with the Louisiana Board of Ethics on April 20, 2015 inadvertently listed an employment start date of March 29, 2016. The employment start date should have been listed as April 20, 2016. The Registration Report for Sid-Mar's Restaurant & Lounge, Inc. which was filed with the Louisiana Board of Ethics on April 15, 2015 inadvertently listed an employment start date of March 29, 2016. The employment start date should have been listed as April 15, 2016. I did not perform any lobbyist functions for Canal Street Development Corporation, New Orleans Building Corporation or Sid-Mar's Restaurant & Lounge, Inc. before the above

referenced revised employment start dates, and I never performed lobbyist functions for Canal Street Development Corporation or Sid-Mar's Restaurant & Lounge, Inc. I therefore request that you change the employment start dates on all three of the Registration Reports and waive the late fees assessed for each registration. Please let me know if there is anything else you need from me in order to accomplish this. Thank you for your assistance.

With kind regards,

Sincerely,
